

SUPPORT THE ROCK CITY ROBOTS

A FIRST Lego League Team in Little Rock,
Arkansas

We are a team of home-schooled children in the Little Rock area, working toward programming a robot to compete in the FIRST Lego League Arkansas Tournament in December of each year. While learning computer and robotic skills, we are also learning and researching about scientific issues in our community, identifying problems relating to the specific challenge we have been issued by the FIRST Lego League organization, and finding solutions to those issues that might be useful to our community, city, or state. As a sponsor, your donations will help our team purchase the equipment we need, as well as meet the financial demands of tournament entrance fees, etc.

For more information about FLL go to usfirst.org or firstlegoleague.org.

Here's how your business can help:

Bronze (up to \$100 donation) – Your name and/or company logo will be displayed on the rockcityrobots.com team sponsor page.

Silver (\$101 - \$250 donation) – You receive the Bronze level benefits, plus your logo will be displayed at competitions and demonstrations throughout the competition season.

Gold (more than a \$250 donation) – You receive the Bronze and Silver level benefits, plus your name and/or logo will be displayed on our team's competition T-shirts (we'll send you one too). At our competitions, this has potential national media exposure.

Other - Donations of Lego Mindstorms Robot sets are also welcome, and will be recognized at the current going rate. Currently, this qualifies as a donation in the GOLD category.

Yes! I'd like to help the Rock City Robots at the following level:

_____ Bronze (up to \$100) _____ Silver (\$101 - \$250) _____ Gold (over \$250)
_____ Other (please describe _____)

Name: _____ Company: _____

Address: _____ City: _____

State: _____ Zip: _____

Phone: _____ E-mail: _____

Make checks payable to Rock City Robots. Please be sure to include your logo, if we're going to need it. Send everything to:

Rock City Robots, c/o Annelle King, 12423 Garrison Road, Little Rock, AR 72223
Thank you for your support
